

# WEDNESDAY

Night Classes  
(Equipping 4 Adults)

Welcome to the Fall Equipping Semester!

As many of us get back into a new routine after the summer, I want to invite you to be open to the new things of God. Whether you've walked with Him for most of your life, have come to Christ recently, or are still searching, He has much to show you and teach you.

Wednesday nights are designed to equip you using short term equipping courses and one night classes in particular stages of life, crisis, or general equipping. We believe that positive life change happens best in relationship experiencing Life Together. That's why we have Bible Fellowships that meet on Sundays whose members connect with each other and our community throughout the week.

We also believe there are specific areas of our life where the church can equip you like being the primary disciple-maker of your kids at home or equipping you in your marriage. Ephesians 4:12 says the church is to

...equip His people for works of service, so that the body of Christ may be built up...attaining to the whole measure of the fullness of Christ. Then we will no longer be infants, tossed back and forth by the waves, and blown here and there by every wind of teaching and by the cunning and craftiness of people in their deceitful scheming. Instead, speaking the truth in love...

If you're new to Wednesday nights I encourage you to try Wednesday night dinner and make some new friends. We also have a tremendous line-up for your kids of all ages!

So here's your invitation! Join us on Wednesday nights and let us know how we can help you connect with God and others through Temple Baptist Church.
